

architecture + engineering innovations

Robert J. Illo, AIA, PE: Principal

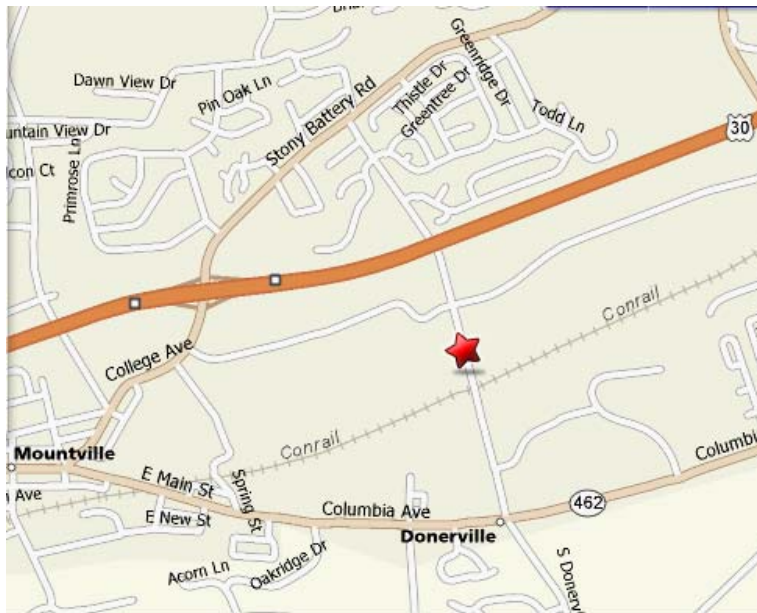

156-A North Donnersville Road, Mountville, PA 17554

p: 717-285-7004 f: 717-285-7197 email: info@aeiArchitect.com

**a+ei is a Central Pennsylvania architecture and engineering firm located at 156-A North Donnersville Road in Mountville, Pennsylvania. Our office location can be accessed easily from Route 30:**

**Route 30 West:** Take the Mountville Exit. Go right at end of ramp/traffic light onto Stony Battery Road. Go right onto Donnersville Road. Continue on Donnersville Road until a traffic light, which is the intersection of Donnersville Road and Hempfield Road. Make a right into the first parking lot after the traffic light.

**Route 30 East:** Take the Mountville Exit. Go left at end of ramp/traffic light onto Stony Battery Road. Go right onto Donnersville Road. Continue on Donnersville Road until a traffic light, which is the intersection of Donnersville Road and Hempfield Road. Make a right into the first parking lot after the traffic light.

**Robert J. Illo, a+ei's principal, is licensed to practice architecture in Pennsylvania, Maryland, Delaware, New Jersey, New York, Virginia, West Virginia, Alabama, Mississippi, Indiana, Louisiana, Michigan, New Hampshire, Ohio, Texas and Massachusetts.**

**As a professional engineer, Robert J. Illo is licensed to provide engineering services in Pennsylvania, Ohio, Indiana, Maryland, Delaware, New Jersey and Mississippi. Also providing structural engineering services is James I. Petersen, Professional Engineer, in Maryland and Pennsylvania.**

**a+ei performs architecture and engineering services for all states where licensed.**
